

Combo

Heavy Duty Built Laundry Detergent

Combo is a high performance built laundry solution that works equally well in cold water as it does in hot. For industrial and institutional use only. It features unusually high concentrations and is recommended to be used with **Gator Chemical's** Liquid Dispensing System to maximize 100% efficiency and chemical usage.

DIRECTIONS FOR USE

Use **Combo** with automatic dispensing equipment to feed directly from this container to the washer. Consult your **Gator Chemical** representative for additional information.
