

ILLUSIONS

UHS FLOOR FINISH

ILLUSIONS provides excellent durability, high initial gloss, and wet-look response to ultra high speed (UHS) maintenance. Outstanding beauty and durability for all floors. Advanced metal cross-link polymer produces the highest, hardest gloss. Heel, scuff, and detergent resistant. Floors stay shiny, clean, and better protected. U.L. approved.

DIRECTIONS FOR USE

PREPARATION: Remove all dirt and old finish by using a floor machine and **MOP & STRIP, QUICK STRIP, or IMPACT**. Rinse floor thoroughly and allow to dry.

APPLICATION: Apply **ILLUSIONS** in medium to heavy uniform coats with a finish mop. Let dry thoroughly (30 minutes) before applying next coat. Continue to add coats of **ILLUSIONS** until desired gloss and base are obtained.

TECHNICAL DATA

Color.....	White Emulsion
Scent.....	Acrylic
Foaming.....	N/A
Solubility in Water.....	Complete
Density (lb/gal).....	8.65
Flash Point.....	None
pH.....	8.0-9.0
