

Shure Clean

PH Neutral Cleaner

Shure Clean reduces the time and labor costs of daily maintenance on high gloss floor finishes. It quickly and effortlessly removes dirt and other surface soils prevalent in heavily trafficked areas. Saves time and money. Quick drying, **Shure Clean** leaves no residue or haze to dull the original luster of high gloss finishes. Floor appearance is actually enhanced and the life of the finish substantially extended. **Shure Clean** completely eliminates the time required for rinsing.

DIRECTIONS FOR USE

When cleaning floors in public be sure to set up "Wet Floor" signs and watch out for the safety of others. When finished remove signs, return equipment & supplies back to proper storage.

LIGHT CLEANING: Using a hand mop or floor machine, dilute 1 ounce of **Shure Clean** per gallon of water. On lightly soiled floors, 2 gallons of solution can clean approximately 2,000 sq. ft. before it becomes dirty and needs to be dumped and recharged. MEDIUM CLEANING: Using a hand mop or floor machine, dilute 2 ounces of **Shure Clean** per gallon of water. HEAVY CLEANING: Using a hand mop or floor machine, dilute 3 ounces of **Shure Clean** per gallon of water. On heavily soiled floor, 2 gallons of solution can clean 500 sq. ft. before it becomes dirty and needs to be dumped and recharged. SPRAY BOTTLES: Dilute 12 ounces of **Shure Clean** per gallon of water.

| Flash Point..... | None |
| pH..... | 7.0-7.5 |

Shure Clean

PH Neutral Cleaner

FEATURES

Safe on floor finish at most any dilution

No rinsing required; leaves no film

Hard water stable

Will not contribute to pH problems in sewer discharge

Contains no hazardous materials as listed by OSHA

Works to dissolve quat residue

Works in cold water

Designed for use in auto scrubber; Works through Pro-Flow Dilution Control System

CUSTOMER BENEFITS

Saves finish and saves time

Works well in hard water conditions; no need for added products

No costly surcharges on sewer bill

Worker and employee safe

Particularly effective in health care facilities

Saves energy dollars

Low foam; keeps automatic scrubbers from shutting down

Appealing

Guaranteed end-use cost

Saves time; floors look great
