| pH.....                  | 13.8           |

# Coil Cleaner

Coil Cleaner

## FEATURES

Non-acid formula

Dilutable

Free rinsing

Maintenance product that saves you money

## CUSTOMER BENEFITS

Prolongs life of fins and coils

Highly concentrated formula saves money

Labor-saving, simply spray on and walk away

Improves the efficiency of air conditioning units saving on energy and replacement costs
