

Easy Clean

Non-Built Laundry Detergent

Easy Clean is a pH-controlled detergent, combining surfactants, chelating agents, and sequestering agents to perform the maximum in oil, grease, and soil removal within a controlled pH environment. Effective at low temperatures (130° to 140°F). For industrial and institutional use only. It features unusually high concentrations and is recommended to be used with **Xtreme Klean's** Liquid Dispensing System to maximize 100% efficiency and chemical usage.

DIRECTIONS FOR USE

Use **Easy Clean** with automatic dispensing equipment to feed directly from this container to the washer. Consult with your **Xtreme Klean** representative for additional information.

TECHNICAL DATA

Color.....	Blue
Scent.....	Musk
Foaming.....	High
Solubility in Water.....	Complete
Density (lb/gal).....	8.6
Flash Point.....	None
