

Jet Lube

Penetrating Oil

Jet Lube is an excellent non-flammable penetrant, lubricant, and moisture displacer. Its unique formula lubricates and prevents corrosion. **Jet Lube** dries wet electrical and ignition systems, frees rusted bolts, nuts, studs, and wheel lugs. **Jet Lube** releases jammed or locked mechanisms, corroded parts, and much more. Extension tube provided for pinpoint application.

DIRECTIONS FOR USE

Spay **Jet Lube** 6 to 8 inches from surface. Allow several minutes to penetrate. Repeat if necessary.

TECHNICAL DATA

Color.....	Brown
Scent.....	Strawberry
Foaming.....	No
Solubility in Water.....	Nil
Density (lb/gal).....	N/A
Flash Point.....	150°F
pH.....	N/A
