

Marksman

Vandalism Mark Remover

Marksman has a solvent-based gel formula that provides excellent removal of the most stubborn marks. **Marksman** works on porous and non-porous surfaces and its special emulsified formula provides rinse-free cleaning. Excellent on vertical surfaces without run-off. Use caution on painted surfaces.

DIRECTIONS FOR USE

Spray **Marksman** 8 to 12 inches from surface and allow to penetrate soil. For stubborn marks, use a stiff brush to agitate before wiping or rinsing. Repeat above if necessary.
