

Pro Wash

Liquid Foam Shampoo

Pro Wash is made with biodegradable detergents and is designed for use in automatic measuring systems. Attacks grease, grime, and road film, but not the finish. Contains no soap to dull the finish and will not affect acrylic or melamine finishes. A fast acting, quick drying, non-streaking detergent.

DIRECTIONS FOR USE

AUTOMATIC MEASURING SYSTEM: Dilute 2 quarts of **Pro Wash** to 55 gallons of water. Set metering pump to deliver 1/2 to 1 ounce per gallon of dilution water. Wash as usual.

MANUAL WASHING: Dilute 2 ounces of **Pro Wash** to 1 gallon of water. Wash as usual; rinse and dry.

Seasonal temperatures and job difficulties may call for concentrate adjustment. Contact your Technical Representative for specific recommendation.

TECHNICAL DATA

Color.....	Yellow
Scent.....	Lemon
Foaming.....	High
