

# Re-Shine

## Floor Cleaner & Restorer

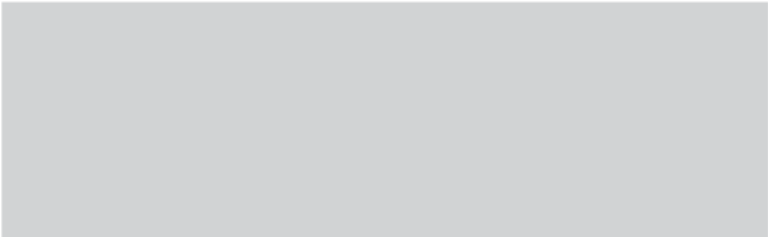

**Re-Shine** revives that "wet look shine" on all floors. Cleans and restores in one labor saving step. **Re-Shine** can be used with an automatic scrubber or a mop and bucket. It is ideally suited for use in scrub and recoat floor maintenance procedures. Increases time between strip outs. Safe to use. Pleasant scent.

### DIRECTIONS FOR USE

Sweep floor. Dilute 2 ounces of **Re-Shine** per gallon of water. Scrub or mop floor with diluted solution. Burnish floor with an ultra high-speed floor machine.
