

# Soft & Klean

Antimicrobial Hand Soap (Contains Aloe Vera)

**Soft & Klean** is an effective, broad-spectrum hand-washing compound, which is ideally suited for use in all health care environments where cross contamination is of primary concern. Contains aloe vera. Lotionized formula leaves hands soft and supple. **Soft & Klean** is excellent for use in schools, colleges, offices, banks, restaurants, factories, nursing homes, hospitals, and many other industrial and institutional facilities.

DIRECTIONS FOR USE

Wet hands. Apply a small amount of **Soft & Klean** to hands; wash and lather in normal manner then rinse. Repeat as often as desired.

Contains: Water, Sodium Lauryl Sulfate, Sodium Laureth Sulfate, Propylene Glycol, Cocamidopropyl Betaine, Lauramide DEA, Aloe Vera Gel, Triclosan, Sodium Chloride, Citric Acid, & Fragrance
