

Sun-Pro

Powdered Laundry Detergent

Sun-Pro is a complete laundry detergent especially designed for washing machines. Works well in hard or soft water (from 1 grain hardness to an excess of 30 grains). **Sun-Pro** is suds-controlled to give trouble-free performance. The formula is well balanced, containing a water softener and a new wetting agent, is free rinsing, and leaves fabrics clean and sweet smelling.

DIRECTIONS FOR USE

One full tablespoon of **Sun-Pro** to each 3 gallons of water is sufficient for normally soiled materials. For excessive soil on collars and cuffs, pre-treat the soiled spots with a solution of 1 tablespoon to 1 cup of hot water and use brush.
