

Sun Pro

Powdered Laundry Detergent

Sun-Pro is a complete laundry detergent especially designed for washing machines. Works well in hard or soft water (from 1 grain hardness to an excess of 30 grains). **Sun-Pro** is suds-controlled to give trouble-free performance. The formula is well balanced, containing a water softener and a new wetting agent, is free rinsing, and leaves fabrics clean and sweet smelling.

Directions for Use

One full tablespoon of **Sun-Pro** to each 3 gallons of water is sufficient for normally soiled materials. For excessive soil on collars and cuffs, pre-treat the soiled spots with a solution of 1 tablespoon to 1 cup of hot water and use brush.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's may be downloaded from www.gatorchemical.com.

Technical Specifications

Color	White
Scent	Lemon
Foaming	N/A
Solubility in Water	Complete
Density (lb/gal)	N/A
Flash Point	None
pH	11.4
