

Mop N Go

No Rinse Floor Cleaner/Degreaser

Mop N Go is a total floor and drain management solution. The enzyme and bacteria -based formula, couple with a strong surfactant package, attacks and helps eliminate grease at the source. Degrades fats, oils, greases and other food sources that attract bugs. Buffered to have tolerance to chlorine (bleach). The no rinse formula makes the application process easy and fast.

Directions for Use

Shake well before using. Clean all excess debris on floor. Use only cold water to prepare MOP N GO solution. Mix 1-2 ounces of MOP N GO per gallon of water. If using a mop bucket, use a heavy duty wet mop rather than a damp mop. If using a foamer, foam product on all areas of the floor. Scrub with a stiff-bristle deck brush. Squeegee to drain.
Do not rinse!

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's may be downloaded from www.gatorchemical.com.

Technical Specifications

Color	Green
Scent	Characteristic
Foaming	Moderate
Solubility in Water	Complete
Density (lb/gal)	8.6
Flash Point	None
pH	6.9-7.1

Packaging

4 x 1 Gallons
2 x 2.5 Gallons
5 Gallons
