

Skin Soft

Hand Soap with PCMX

Skin Soft is an effective, broad spectrum hand washing compound which is suited for use in all environments. This synthetic detergent blend produces excellent lather for gentle but thorough cleaning. Contains Aloe Vera and PCMX. **Skin Soft** is excellent for use in schools, colleges, offices, banks, restaurants, factories, nursing homes, hospitals, and many other industrial and institutional facilities.

Directions for Use

Shake before use. This product is ready-to-use and should not be diluted before putting into a bulk fill hand soap dispenser. Wet hands, place enough product on hands using dispenser, and then scrub hands thoroughly for up to 30-60 seconds. Repeat as necessary.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's may be downloaded from www.gatorchemical.com.
