

# RAW BONES STRIPPER

## Heavy Duty Floor Stripper

**RAW BONES STRIPPER** is a powerful stripper designed to release and remove finish and sealers in a flash. Upon application, the solution dissolves the finish/sealing agents to form an emulsion that is easily removed from the floor surface. **RAW BONES STRIPPER** is for the toughest of stripping jobs. Safe on all resilient tile and hard floors.

### Directions for Use

A single flood application of stripper will cover approximately 400 sq. ft. per gallon of solution. If the floor is re-wetted, due to soaking in or drying out, additional stripper will be necessary. Due to build-up, rewetting will certainly be required.

Dilute 32 ounces of **RAW BONES STRIPPER** per gallon of water. Wet floor. Machine scrub. Pick up solution with a mop or wet/dry vacuum. Rinse floor twice with clean water.

### Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's may be downloaded from [www.gatorchemical.com](http://www.gatorchemical.com).

### Technical Specifications

Color	Clear
Scent	N/A
Foaming	N/A
Solubility in Water	Complete
Density (lb/gal)	N/A
Flash Point	None
pH	10-11

### Packaging

4 x 1 Gallons  
5 Gallons  
15 Gallons  
55 Gallons
