

# Snow White

## Lotionized Hand Soap

**Snow White** is an effective, broad spectrum hand washing compound which is suited for use in all environments. This synthetic detergent blend produces excellent lather for gentle but thorough cleaning. Contains Aloe Vera. **Snow White** is excellent for use in schools, colleges, offices, banks, restaurants, factories, nursing homes, hospitals, and many other industrial and institutional facilities.

### Directions for Use

Shake before use. This product is ready-to-use and should not be diluted before putting into a bulk fill hand soap dispenser. Simply wet hands, place enough product on hands using dispenser, scrub hands thoroughly. Continue scrubbing for 30-60 seconds, then rinse thoroughly. Repeat as necessary.

### Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's may be downloaded from [www.gatorchemical.com](http://www.gatorchemical.com).
