

SD-25 Sanitizer

Sanitizer

SD-25 Sanitizer may be used on washable, hard, non-porous surfaces: food preparation areas, dishes, glassware, silverware, cooking utensils, stovetops, sinks, appliances, countertops, and refrigerator bins. EPA Reg. No. 1839-173-12661

Directions for Use

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

SANITIZATION - Recommended for use in restaurants, dairies, food processing plants, and bars. When used as directed this product is an effective sanitizer against *Escherichia coli* and *Staphylococcus aureus*. Tests show that SD-25 Sanitizer is an effective sanitizer at the 150 ppm level. However, if you wish an extra margin of performance, this product may be used up to the 400 ppm level. Remove all gross food particles and soil from areas which are to be sanitized with a good detergent, pre-flush, pre-soak or pre-scrape treatment. Rinse with a potable water rinse. To sanitize pre-cleaned and potable water-rinsed, non-porous, food contact surfaces, prepare a 150, 200, 300 or 400 ppm active quaternary solution by using the following dilution table:

<u>Active Quat Solution</u>	<u>1 Gallon</u>
150 ppm	0.25 ounce
200 ppm	0.34 ounce
300 ppm	0.5 ounce
400 ppm	0.67 ounce

To sanitize mobile items such as drinking glasses and eating utensils, immerse in a 150, 200, 300 or 400 ppm active quaternary solution for at least 60 seconds making sure to immerse completely. Remove items, drain the use-solution from the surface and air dry. Prepare a fresh solution daily or more frequently as soil is apparent. When used for sanitization of previously cleaned food equipment or food contact items, limit the active quaternary from 150 ppm to 400 ppm. **NO POTABLE WATER RINSE IS REQUIRED.** SD-25 Sanitizer is an effective sanitizer when diluted in water up to 800 ppm hardness.

See label for full directions.

Technical Specifications

Color	Clear
Scent	Chemical
Foaming	Moderate
Solubility in Water	Complete
Density (lb/gal)	8.45
Flash Point	None
pH	7.0-8.0

Packaging

4 x 1 Gallons
2 x 2.5 Gallons
5 Gallons
15 Gallons
55 Gallons

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's may be downloaded from www.gatorchemical.com.
