

Dissolve

Descaler

Dissolve removes rust, scale, and corrosion. Highly concentrated to provide a reduced cost per gallon. Inhibited for safe use on most metals. Contains highly concentrated Hydrochloric Acid.

Directions for Use

Where To Use:

Dishwashers in: Restaurants, Food Service Hotels

Dilution Light - 1/128 (1 oz. per gallon) Medium – 1/42 (3 oz. per gallon) Heavy – 1/21 (6 oz. per gallon)

Dish Washing Machines - Fill wash tank with water, add one gallon of scale remover. Let machine run for 20-30 minutes and allow scale re- mover to flush lime deposits. Drain tank. Refill and rinse tank. (Turn off automatic detergent dispenser while de-liming).

Steam Cleaners - Dilute 1 part product with 4-6 parts of water according to scale accumulation. Circulate the solution until all scale is removed.

Shower rooms -

Mix according to the chart above, spray solution on walls, allow adequate dwell time, agitate with brush if needed and thoroughly rinse or pressure wash.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's may be downloaded from www.gatorchemical.com.

Technical Specifications

Color	Clear
Scent	Characteristic
Foaming	Medium
Solubility in Water	Miscible
Density (lb/gal)	8.8
Flash Point	None
pH	1.0
