

LOW SUDS

Premium Quality Powdered Enzyme Laundry Detergent

Premium quality powdered detergent for outstanding results in institutional and light industrial laundry applications. Contains an advanced blend of builders, surfactants, alkalis, antiredeposition agents and optical brighteners for optimum results in all water conditions and soil loads. Enzyme fortified for improved stain, soil and odor removal. Low sudsing. Fresh lemon fragrance.

Directions for Use

High efficiency machines: For normal applications, use 1/8 cup per standard washload (up to 15 lbs.) for front or top loading household-type machines. Use of excessive detergent may cause poor rinsing and oversudsing.

Standard top loading machines: Use 1/4 cup per standard washload. For best results, pretreat stains with a quality stain remover. Heavily soiled fabric may require presoaking prior to washing. Follow manufacturer's directions on fabric for the best choice of water temperature and wash cycle. Whenever possible, use hot or warm water for washing to achieve the best results.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's may be downloaded from www.gatorchemical.com.

Technical Specifications

Color	White Powder
Scent	Lemon
Foaming	Low
Solubility in Water	100%
Density (lb/gal)	9.00 +/- 0.1
Flash Point	None
pH	<11.5

Packaging

50 lb pail
