

DUO-25 DISINFECTANT & SANITIZER

EPA Registered 3rd Sink Sanitizer / SARS-CoV-2 30 second kill claim

DUO-25 is a concentrated, quaternary sanitizer, disinfectant, and deodorizer used for sanitizing and disinfecting food processing equipment, utensils, dishes, silverware, glasses, sink tops, countertops, food processing equipment. Use in buckets and saturating dry wipes. Disinfect in hospitals, schools, senior residences, day cares and anywhere else people congregate.

Directions for Use

SANITIZATION: Food Processing Equipment, Other Hard Surfaces in Food Contact Locations, 3rd Sinks. Tests show that this product is an effective sanitizer at the 200 ppm level. However, if you wish an extra margin of performance, this product may be used up to the 400 ppm level. Remove all gross food particles and soil from areas which are to be sanitized with a good detergent, pre-flush, pre-soak or pre-scrape treatment. Use ¼ ounce per gallon of water.

Disinfecting: Use 2 oz per gallon for **SARS-CoV-2** kill claim in 30 seconds. Use at 3oz per 10 gallons for standard disinfection. Use at 3.5 oz per 5 gallons for **Hospital** disinfection. See label for full directions.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's may be downloaded from www.gatorchemical.com.
