

Rinse Away AP

Liquid Dishmachine Rinse Aid/Hard Water

A high-quality liquid rinse aid designed for top performance in low or high temperature commercial dishwashing machines. Provides drying and rinsing characteristics which will produce superb dishwashing results in one pass, even under difficult operating conditions. Contains special additives to product superior results in difficult water conditions.

Directions for Use

For machine use only – not for manual hand washing of utensils. This product is designed to be dispensed with equipment installed and/or approved by your Service Representative. Performs well at low concentrations for economical use however, may require a higher concentration for more challenging soil loads or water conditions. The ideal wash temperature for this product is 140°, but water as low as 120° will produce acceptable results, although slower drying times may occur.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's may be downloaded from www.gatorchemical.com.

Technical Specifications

Color	Blue
Scent	None
