

# Gotcha

## Carpet & Upholstery Spot Remover

**Gotcha** is a biodegradable detergent system designed for carpet and upholstery spotting. This ready-to-use product removes tough spots from rugs and carpet, which are caused by dirt, grease, oil, coffee, soda, etc. Use product before cleaning with a machine or as a touch-up between cleanings.

### Directions for Use

Vacuum thoroughly. Before using, test a small area for color fastness. Spray **Gotcha** onto area to be cleaned. If stain does not disappear, reapply **Gotcha** and blot with a dry cloth. Do not scrub. As a pre-spotter before deep cleaning, spray **Gotcha** on stained or heavily soiled areas, shampoo or extract.

See label for further instructions.

### Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's may be downloaded from [www.gatorchemical.com](http://www.gatorchemical.com).
