

Blast It

Concentrated Coffee & Tea Destainer

Blast It is a concentrated formula that quickly penetrates and removes tough coffee, tea and food stains for sparkling clean results. **Blast It** effectively removes rancid coffee oils and tannins, which can destroy "fresh brewed" taste and aroma. It is safe to use this product on plastic, china and metal surfaces; works in both hard and soft water conditions.

DIRECTIONS

Plastic and China Dinnerware

1. Dissolve 1.5 tbs. of Blast It. Per gallon of water. Keep solution hot between 140° – 160°F
2. Immerse utensils; let soak until stains are removed.
3. Rinse thoroughly in clean water or run them through a machine.

Coffee and Tea Makers (Automatic Filling)

1. Insert coffee filter into basket and measure 1.5 tbs of Blast It into filter/per one gallon.
2. Run brew cycle – twice if necessary.
3. Flush with clear water until solution is clear.

Coffee and Tea Dispensers (Portable Thermal Type)

1. Flush empty container with clear water.
2. Scrub all parts with a solution of Blast It, ½ to 1oz. Per gallon of hot water.
3. Rinse thoroughly with fresh water and invert to air dry.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's may be downloaded from www.gatorchemical.com.

Technical Specifications

Color	Opaque, White with colored particles
Scent	Not Significant
Foaming	Moderate
Solubility in Water	Complete
Density (lb/gal)	1.05
Flash Point	None
pH	11-12.5

Packaging

6 x 2 lb.
