

# Rinse Away

## Liquid Dish Machine Rinse Aid

**Rinse Away** is a super concentrated, high quality formula that delivers amazing results. Levels out variations in soil loads and water hardness to ensure consistent results in very hard water and heavy soils.

### Directions for Use

**For machine use only – not for manual hand washing of utensils.** This product is designed to be dispensed with equipment installed and/or approved by your Service Representative. 4-5 ml per rack or approximately 0.166 ounces per gallon. Performs well at low concentrations for economical use however, may require a higher concentration for more challenging soil loads or water conditions. The ideal wash temperature for this product is 140°, but water as low as 120° will produce acceptable results, although slower drying times may occur.

### Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's may be downloaded from [www.gatorchemical.com](http://www.gatorchemical.com).

### Technical Specifications

Color	Blue
Scent	Characteristic
Foaming	Low
Solubility in Water	Complete
Density (lb/gal)	8.5
Flash Point	Non Flammable
pH	1.0-2.0

### Packaging

4 x 1 Gallons  
5 Gallons  
15 Gallons  
55 Gallons
