

SILVER SHINE

Liquid Presoak

Silver Shine loosens dried on food and adds sparkle to stainless steel and silver flatware. Effective electrolyte action provides rapid silverware de-tarnishing in the presence of aluminum.

Directions for Use

Use **Silver Shine** with automatic dispensing equipment to feed directly from this container to the washer. Consult your **Gator Chemical** representative for additional information.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's may be downloaded from www.gatorchemical.com.
