

Spring Breeze

Odor Counteractant

Spring Breeze is an odor counteractant designed to attack odors at their source. Eliminates urine and smoke odors on contact. Its pleasant clean floral scent makes it the perfect room freshener. Excellent for use in health care facilities, schools, office buildings, supermarkets, industrial plants, food processing plants, etc.

Directions for Use

SPRAY APPLICATION: Dilute 3 ounces of **Spring Breeze** per quart of water. Spray into air or directly onto the source of the odor.

EXTRACTION: Dilute 3 ounces of **Spring Breeze** per gallon of water. Pour solution into extractor. Extract.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's may be downloaded from www.gatorchemical.com.
